Licensure: North Carolina Psychologist Professional License #2878
North Carolina Certified Health Services Provider – Psychologist

Clinical Experience:

Practice Owner / Licensed Psychologist: Western Wake Counseling & Psychological Services, PLLC
Created an independent Clinical Health Psychology Practice committed to helping clients sort out and resolve emotional problems, ranging from mood disorders and life transitions to marital concerns and addictions. Provide a comprehensive approach to mental health treatment, integrating all aspects of a client’s life, biological, psychological, and socio-cultural factors. Coordinate treatment with other health care providers as needed. Manage day-to-day operations and supervise a staff of 2 providers and an administrative assistant.

Adjunct Associate Professor: University of North Carolina at Chapel Hill
Teaching graduate level courses in the School Counseling & School Psychology program. Courses taught include: Multicultural Counseling, Group Counseling, Adolescent Development, and Practicum and Internship; serving as university-based clinical supervisor for counseling interns.

Practice Partner / Licensed Psychologist: Cary Behavioral Health Care, Cary, NC
Served as practice partner and operated an independent private mental health practice. Provided direct counseling and psychological services to children, adults, and families; managed day-to-day operations, including public relationships and advertising and professional consultations...

Counseling Center Director / Licensed Psychologist: Saint Augustine’s College, Raleigh, NC
Created a “free-standing” college counseling center to provide direct counseling, consultation, and outreach services to the undergraduate students, staff and faculty. Managed the daily operations and supervised a staff of 4 providers and an administrative assistant.

Clinic Director: Wake County Human Services, Adult Mental Health Treatment, Raleigh, NC
Clinic Director and Staff Psychologist at Inner-City Mental Health Center; provided direct psychological services to patients with severe and persistent mental illness; coordinated treatment with multidisciplinary team (i.e., psychiatrist, social worker, case managers, and program managers); managed day-to-day operations and supervised staff of 6 providers and 3 support staff.

Pre-Doctoral Clinical Experience:

Counseling Intern: Duke University Counseling & Psychological Services, Durham, NC
Completed pre-doctoral psychology residency program serving Duke University student population; conducted individual and group counseling services; provided career counseling and assessment services

Psychology Extern: Department of Veterans Affairs, Hines VA Hospital, Chicago, IL
Completed a full-time funded advanced diagnostic externship in the Substance Abuse Treatment Unit

Counseling Intern: Evans & Evans Community Mental Health Agency, Chicago, IL
Completed a year-long clinical psychotherapy practicum at a Chicago area community mental health agency serving African American children, adolescents, and families referred by the Illinois Department of Child and Family Services

Related Professional Experience:
